LOCATION AND VENUE

HÔTEL BONAVENTURE MONTRÉAL, CANADA

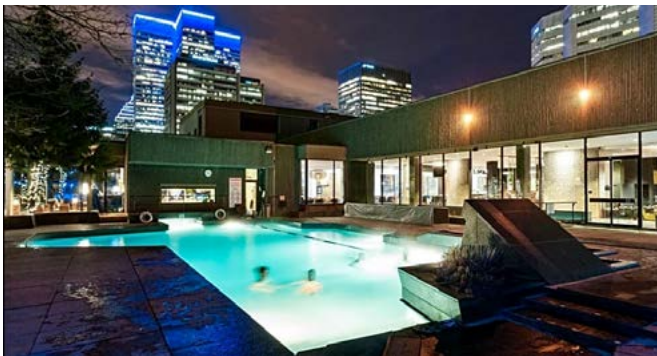

A hotel in the heart of downtown Montréal and a unique concept!

Designed by a Montréal architect, the Hôtel Bonaventure remains an exceptional achievement to this day. It is built on the roof of Place Bonaventure, 17 stories above ground, offering the occupants of its rooms and suites a breathtaking view of Montréal and its surroundings.

As soon as the elevator doors leading to the hotel open, visitors are treated to a view of an awe-inspiring oasis of greenery perched atop the complex, revealing the charm and tranquility of the countryside right in the heart of the city.

During a stroll in the gardens, hotel guests can enjoy the company of ducks. The year-round heated swimming pool, also built on the roof, brings this magical setting to life 365 days a year!

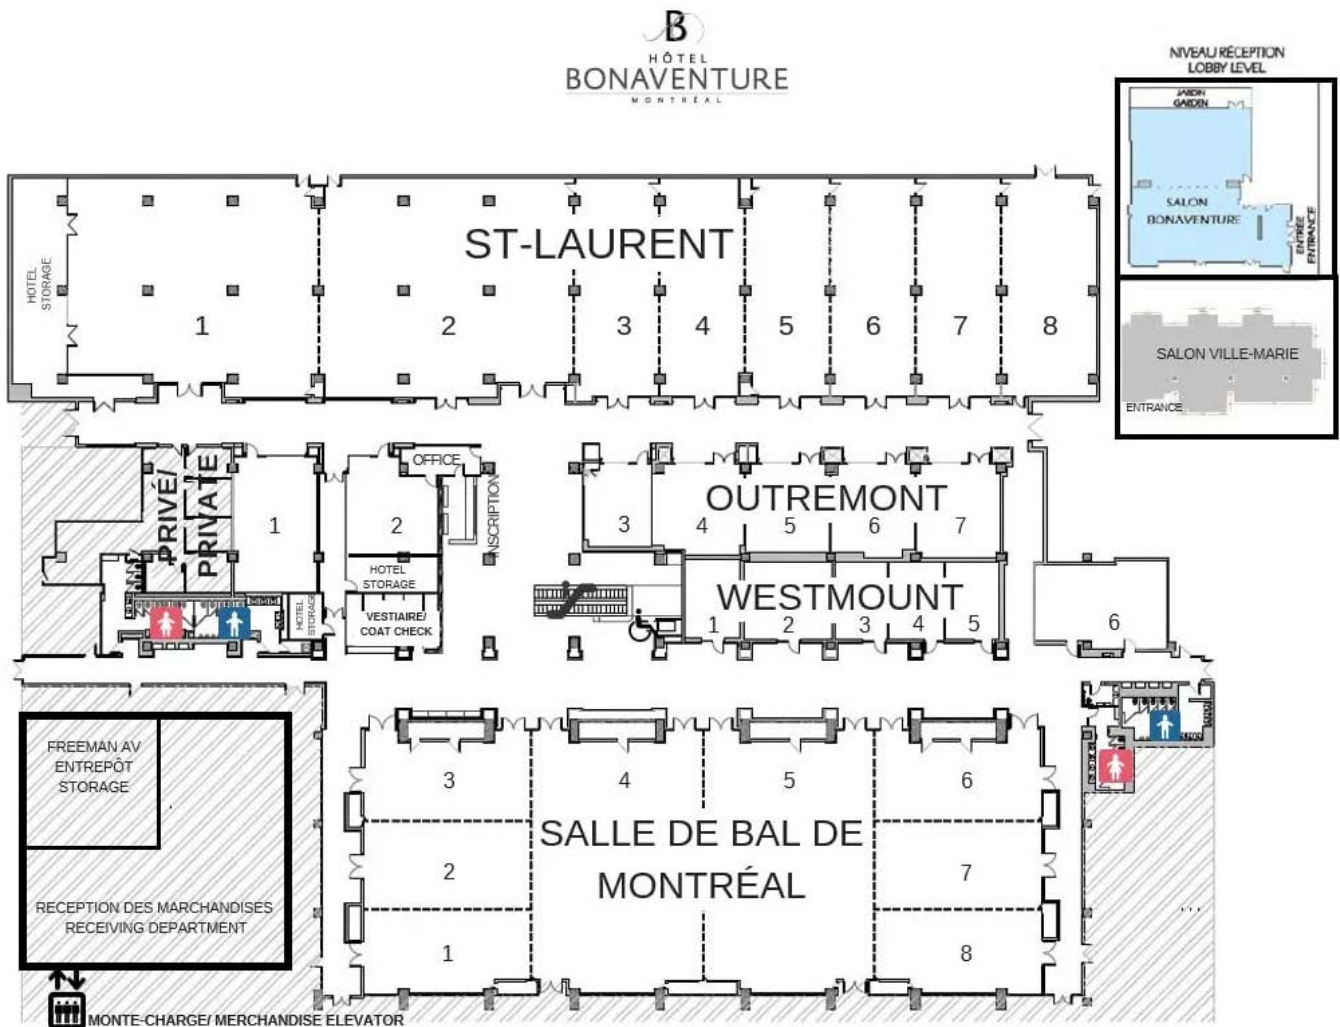

In summer, the hotel's entrance hall and restaurants open onto terraces overlooking streams, waterfalls and aquatic habitats populated by koi fish, all surrounded by abundant florals and greenery, including oaks and birches.

FLOOR PLAN

For ISFG 2026 Congress, everything is located on the same floor. Registration, Welcome Reception, lunch, the Plenary Sessions, as well as the Poster Sessions and Exhibit area with catering stations for coffee breaks will be located on the Convention Level.
